Advanced Certificate in Hindu Mythology for Supply Chain Managers

## Epic Tales of Supply Chain Management: Ramayana and Mahabharata

---

### **\*\*Astika\*\***

Concept: Belief in the authority of the Vedas, the ancient Hindu scriptures.

Related terms: Nastika

In the context of Epic Tales of Supply Chain Management: Astika companies believe in the principles and values outlined in the Vedas, which can guide their decision-making and operations.

### **\*\*Bharata\*\***

Concept: The name of the ancient Indian kingdom where the Mahabharata is set.

Related terms: Kuru, Hastinapura

In the context of Epic Tales of Supply Chain Management: Bharata represents the complex and dynamic business environment where supply chain managers must navigate various challenges and opportunities.

### **\*\*Dharma\*\***

Concept: A central concept in Hinduism referring to one's duty, righteousness, and moral order.

Related terms: Artha, Kama, Moksha

In the context of Epic Tales of Supply Chain Management: Dharma emphasizes the importance of ethical behavior and social responsibility in supply chain management.

### **\*\*Gandiva\*\***

Concept: The legendary bow of Arjuna, a central character in the Mahabharata.

Related terms: Arjuna, Krishna

In the context of Epic Tales of Supply Chain Management: Gandiva represents the tools and technologies that supply chain managers use to achieve their goals and overcome challenges.

### **\*\*Hastinapura\*\***

Concept: The capital city of the Kuru kingdom in the Mahabharata.

Related terms: Kuru, Bharata

In the context of Epic Tales of Supply Chain Management: Hastinapura symbolizes the hub of supply chain activity, where decisions are made and resources are allocated.

### **\*\*Indra\*\***

Concept: The king of the Devas (gods) in Hindu mythology.

Related terms: Devas, Asuras

In the context of Epic Tales of Supply Chain Management: Indra represents the challenges and obstacles that supply chain managers must overcome to achieve success.

### **\*\*Janaka\*\***

**Concept:** The father of Sita, the wife of Rama in the Ramayana.

**Related terms:** Sita, Rama

In the context of Epic Tales of Supply Chain Management: Janaka represents the stakeholders and partners that supply chain managers must work with to achieve their goals.

**\*\*Kaurava\*\***

**Concept:** The one hundred sons of Dhritarashtra, the king of the Kuru kingdom in the Mahabharata.

**Related terms:** Pandava, Kuru, Mahabharata

In the context of Epic Tales of Supply Chain Management: The Kauravas symbolize the competition and rivalry that supply chain managers face in the marketplace.

**\*\*Krishna\*\***

**Concept:** A central character in the Mahabharata, known for his wisdom and counsel.

**Related terms:** Arjuna, Gandiva

In the context of Epic Tales of Supply Chain Management: Krishna represents the mentors and advisors that supply chain managers rely on for guidance and support.

**\*\*Kuru\*\***

**Concept:** The name of the ancient Indian kingdom where the Mahabharata is set.

**Related terms:** Bharata, Hastinapura

In the context of Epic Tales of Supply Chain Management: Kuru represents the broader market and industry where supply chain managers operate.

**\*\*Lakshmana\*\***

**Concept:** The younger brother of Rama in the Ramayana.

**Related terms:** Rama, Sita

In the context of Epic Tales of Supply Chain Management: Lakshmana represents the team members and colleagues that supply chain managers work with to achieve their goals.

**\*\*Moksha\*\***

**Concept:** The ultimate goal of Hinduism, referring to liberation from the cycle of birth and death.

**Related terms:** Dharma, Artha, Kama

In the context of Epic Tales of Supply Chain Management: Moksha emphasizes the importance of long-term sustainability and success in supply chain management.

**\*\*Nastika\*\***

**Concept:** The belief that the Vedas do not have authority.

**Related terms:** Astika

In the context of Epic Tales of Supply Chain Management: Nastika companies may prioritize short-term gains over long-term sustainability, leading to ethical dilemmas and challenges.
